A MESSAGE FROM OUR CEO

100% DONATION POLICY

WE ACCEPT: ZAKAAT, SADAQAH & LILLAH

All praise is due to our Lord the Almighty, our Creator and Sustainer and abundant salutations upon our beloved prophet Muhammad (May our Almighty send peace and blessings upon him).

It is with immense gratitude and humility that I extend my heartfelt greetings to each member of our esteemed community. As a trustee and Chair of Dedza Welfare Trust, it is my honour to present to you our latest endeavour, aimed at furthering our commitment of serving humanity with compassion and dedication.

It is solely through the grace of our Almighty, your eternal prayers and support that Dedza Welfare Trust (DWT) has been working for 16 years mainly in Malawi and also assisting globally in emergencies. However, Malawi remains one of the poorest countries in the world.

Alhamdulillah last year, three of the DWT Trustees went to Malawi to oversee our projects. In this report, you will find all the details of our projects and information of their trip.

The Charity continues to maintain its commitment to the policy of 100% donation. The donor deserves to know where all his/her earned-money and generosity is being spent. I can assure everyone that the funds are being utilised accordingly. What makes our Charity different is that we have expanded initiatives including education and sustainable projects.

The charity is indebted to its donors and supporters who have continued to increase their financial support each year.
I'm also humbled by the support we have received from other organisations and charity partners both locally and overseas.
The charity is also indebted to its volunteers who are always there when needed. However, we need more volunteers so that we can reach to many more who are in need of our support. In this report, you will find all the information of how to become a volunteer and be part of Dedza Welfare Trust.

I pray that our Almighty allows us to continue serving his deen through this most-effective means of Charity which attracts the mercy of our Almighty, extinguishes his wrath and ultimately becomes a means of our salvation in the hereafter. I pray for the protection of the Charity from all evil and harm and that it becomes a source of forgiveness for us on the day of judgment.

To conclude, on behalf of the trustees of Dedza Welfare Trust, I thank our Almighty who has made all this possible and also thank the donors, partners, supporters and volunteers of DWT.

May our Almighty accept your donations, ease the suffering of the Ummah and humankind and guide the world towards peace and security through the blessing of Islam.

Once again Jazakallah Khayr.
With warm regards,

Mussa Saleh
(Chair and Trustee of Dedza Welfare Trust).
